

- Available as 20' and 40' containers
- Swinging, removable header – enables unrestricted height door-end access
- Removable roof bows
- Plywood floors
- Heavy duty tarpaulins (common for all Cronos open tops of similar length)
- Available for operational lease, term lease and sale

Cronos Open Tops are available as 20' and 40' containers and are suitable for a range of over-height cargoes. They have a swinging, removable header, which enables unrestricted height door-end access and are also ideal where there is a need to load from the top.

Cronos Open Tops have plywood floors and removable roof bows. In addition heavy duty tarpaulins are common for all Cronos Open Tops of similar length.
